

Calling all BIPOC Women Graduate Students

We are interested in creating a network of women BIPOC graduate scholars at York University. The goal is to create a space where we can meet, share, network, collaborate, and support each other. We are inviting trans and cis women BIPOC to join us for a visioning meeting and roundtable to help define and establish the direction we want this caucus of women scholars to achieve.

Come with your thoughts and creative ideas to the meeting

THURSDAY SEPTEMBER 27
