

INSTITUTE FOR RESEARCH ON DIGITAL LITERACIES PRESENTS

GET IT DONE TOGETHER

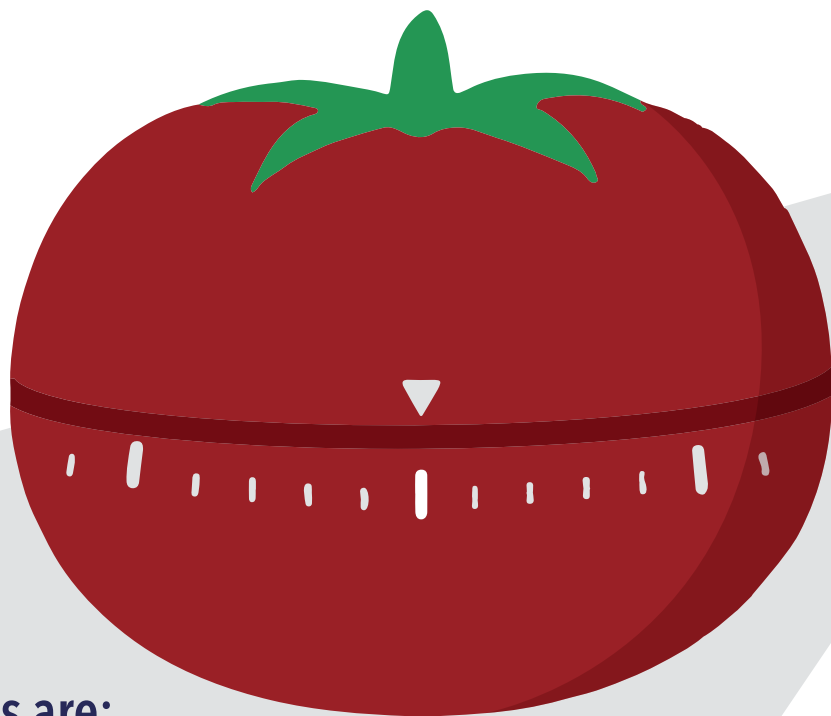

In partnership with: Robarts, CJS, ITS, and CITY

The ORU's of the 7th floor Kaneff Tower are excited to host the Get it Done Together sessions again this term!

All graduate students and faculty are welcome to bring reading, writing, marking, etc. to work on through the sessions. Our drop-in sessions use the Pomodoro method (30 minutes of work, and a 10 minute break) to help each other work toward their goal for that session.
