

The Institute for Research on Digital Literacies and the Infoscape Research Lab Present

Understanding Machine Listening and Voice Data Privacy

Ever wonder if Alexa or Siri hear more than they should?

Join us for an online interactive session about this question and more, as part of Media Literacy Week programmed by MediaSmarts.

You'll also get a sneak peek at a free resource covering how apps and devices turn voices into data and what that means for your privacy.

October 29, 2025

12-1pm EST via Zoom
